Review of MP3: The Meaning of a Format by Jonathan Sterne. MP3: The Meaning of a Format is a history and cultural analysis of the digital sound file type known today as the MP3. To describe the emergence of this format, Jonathan Sterne exhaustively and eloquently traces the history of the MP3. The Meaning of a Format (Duke University Press, 2012) finds Sterne revisiting many of these key themes, with a larger focus on the MP3.
