by Marjorie Grene David J. Depew

SEHEPUNKTE - Rezension von: The Philosophy of Biology . 2 Jan 2005 . Marjorie Grene and David Depew have combined forces to produce an episodic history of the philosophy of biology from Aristotle to the present. As the title of this book implies, they are writing a history of the philosophy of biology, not a history of biology. Grene and Depew begin dealing with life itself. ?The Philosophy of Biology: An Episodic History (The Evolution of . Available in the National Library of Australia collection.
